SRDP Forestry Co-operation Application – *[insert name and FGS reference of project]*

This is to confirm that I am a landowner within the project area and agree to be involved and support the project on the feasibility of *[insert project type]*.

I understand that this does not commit me from going forward with a subsequent FGS option application as this depends on the outcome of the feasibility process.

I also agree for *[insert agent/facilitator name]* to act on my behalf and take responsibility for this Forestry Co-operation project.
