CSGN PAYMENT RATES

- Capital grants are also available for operations such as fencing and tree protection.
- Basic Payment Scheme entitlements will still apply on eligible afforested land.
- The GSGN contribution will be eligible on up to 40 hectares per application in the Core and Fringe areas and 65 hectares per application in the Outer Core area.

To find out if you are in the CSGN area, visit the Scottish Forestry Map Browser.

| | Payment Rates in CSGN Contribution "CORE" Area | | | | | | |
|-------------------------------------|--|----------------|---------|---|----------------|---------|--|
| | Standard planting rate + CSGN Contribution | | | Rates in "Target Areas" + CSGN Contribution | | | |
| | (£2,500/ha) | | | (£ 2,500/ha) | | | |
| Woodland | Initial planting | Annual | Total | Initial planting | Annual | Total | |
