

Day Rate – Management Costs

Date published: 30 March, 2015

This item is for undertaking tender exercises, managing contract costs, and ensuring compliance with Construction, Design and Management (CDM) Regulations.

A maximum of four days can be applied for per application but this must be agreed with Forestry Commission Scotland in advance.

Details about how these costs will be incurred must be included in your Woods In and Around Towns Operational Plan and evidence of expenditure should be retained.

Further information

Please ensure you abide by conditions set out in the Forestry Grant Scheme claim form and guidance.
