Contact us

Please contact your local area office if you have any questions.

Area Offices are open and operating an appointment system over shorter days/hours to allow hybrid working and as staff availability permits. Appointments can be made by contacting your local Area Office using the details in the directory below. We strongly encourage you to book an appointment rather than turning up on the off chance a member of staff will be available to see you.

Please note the Galashiels Area Office is closed due to building works. Please contact the Galashiels Area Office staff by telephone or by email.

Area Offices are currently operating a hybrid service with telephone calls being answered where possible. However, some calls may be diverted to the answer machine service. If your call is diverted to the answer machine service, please leave your name, contact number and brief details of your query and we will call you back as soon as possible.
